Every event benefits from the excellent services of our experienced in-house banqueting team.

PRIVATE DINING

THE QUEEN'S CLUB

Enchant your clients or celebrate milestone occasions with your colleagues in this world famous setting. Queen's offers two elegant and historic reception rooms accommodating from 50 to 120 attendees for exceptional three course dining.

With a menu created from seasonal produce complimented by changing Spring and Autumn wine selections, Queen's private dining provides the ideal environment for conference delegates to extend the day's networking over dinner.

From anniversary celebrations to corporate team dinners, charity fundraisers to family birthdays, hosting your event at the Club guarantees an unforgettable setting with exceptional service assured.

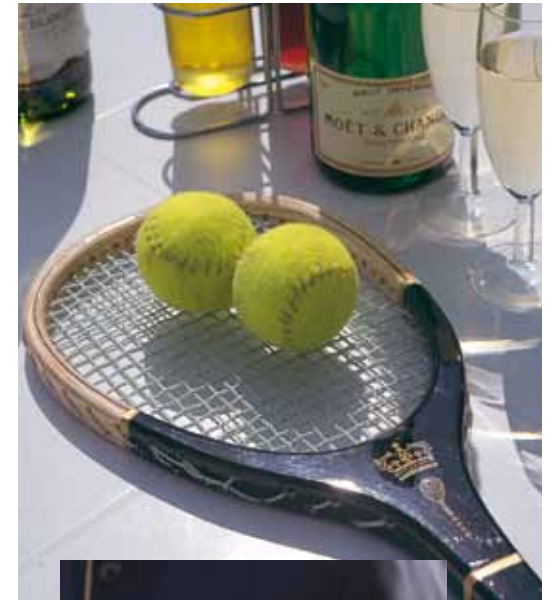

SPORTING DAYS

THE QUEEN'S CLUB

One of the best ways to enjoy Queen's is to combine the unique sporting and social opportunities that the Club offers. The Club can create bespoke "Sporting Day" packages to suit a client's specific needs.

For each individual Sporting Day, Clients have the unique opportunity to play lawn tennis, real tennis, rackets or squash on The Queen's Club's famous courts. If required, the services of a skilled professional may provide coaching or organise a tournament. This, together with the superb catering facilities, makes Queen's an ideal venue for corporate entertainment.

A popular formula is for players to compete in a knock out tournament during the afternoon. After the finals a champagne reception and prize giving may precede dinner in one of our elegant and exclusive private dining rooms.

Sporting Days can be structured to benefit a chosen charity or purely for the enjoyment of company clients or employees.

TESTIMONIALS

THE QUEEN'S CLUB

“I would like to thank you both for making yesterday an excellent corporate sporting day. I know that all of the attendees absolutely enjoyed themselves. Please pass on our thanks to the chef for such a delicious meal, in fact comments were that it was the best so far!”

Tracey Thomas, HSBC

“As always your team did us proud and both the buffet reception and dinners on Monday and Tuesday were up to your usual high standard and most appreciated.”

John Ritblat, The British Land Company

“Thank you so much for all you did in arranging our Dinner last week. Everything worked like clockwork and Steven looked after us brilliantly. He was most helpful and was calmness itself when things had to be rearranged as our plans went pear shaped! The meal was really delicious and showed Queen's to be a terrific venue for dinners such as ours. You were right about the fish soup – it really was very good indeed!”

AHV Monteuus, Old Tonbridgian Golfing Society

“Just a short note to thank you and your colleagues for all of your hard work yesterday, the whole event ran very smoothly, a credit to all involved. I would also like to convey comments from a number of the meeting attendees on how wonderful the lunch was.”

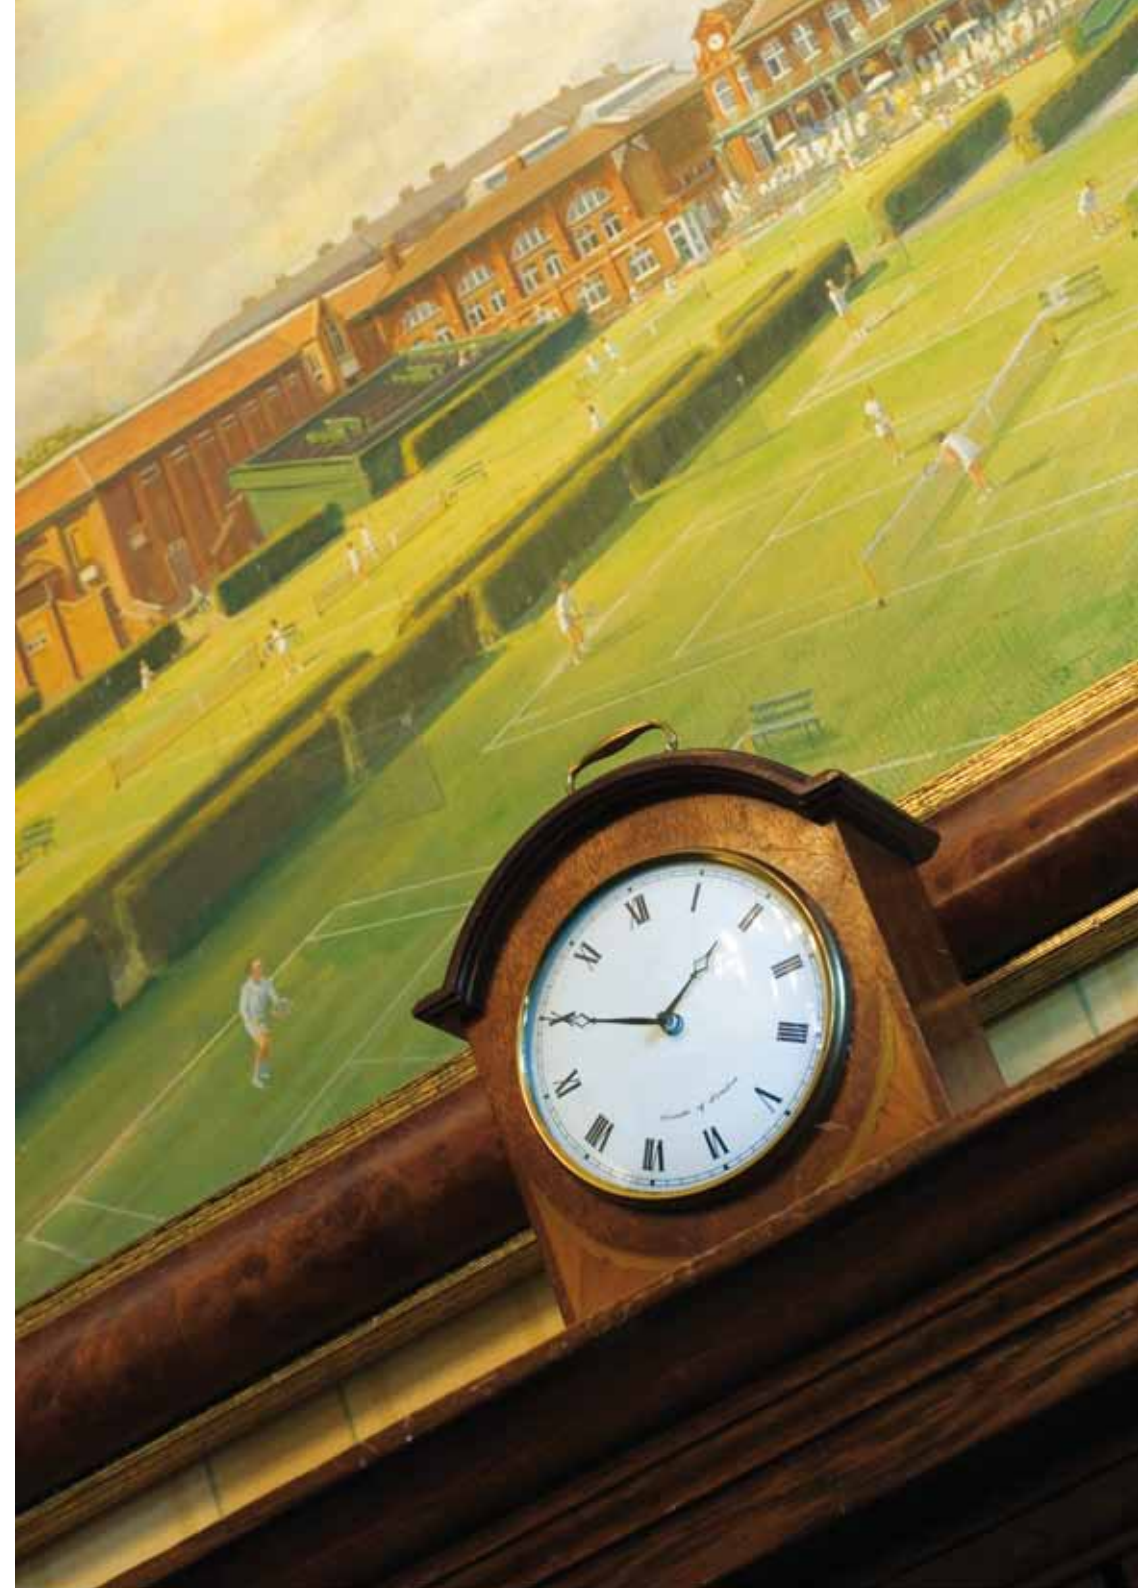

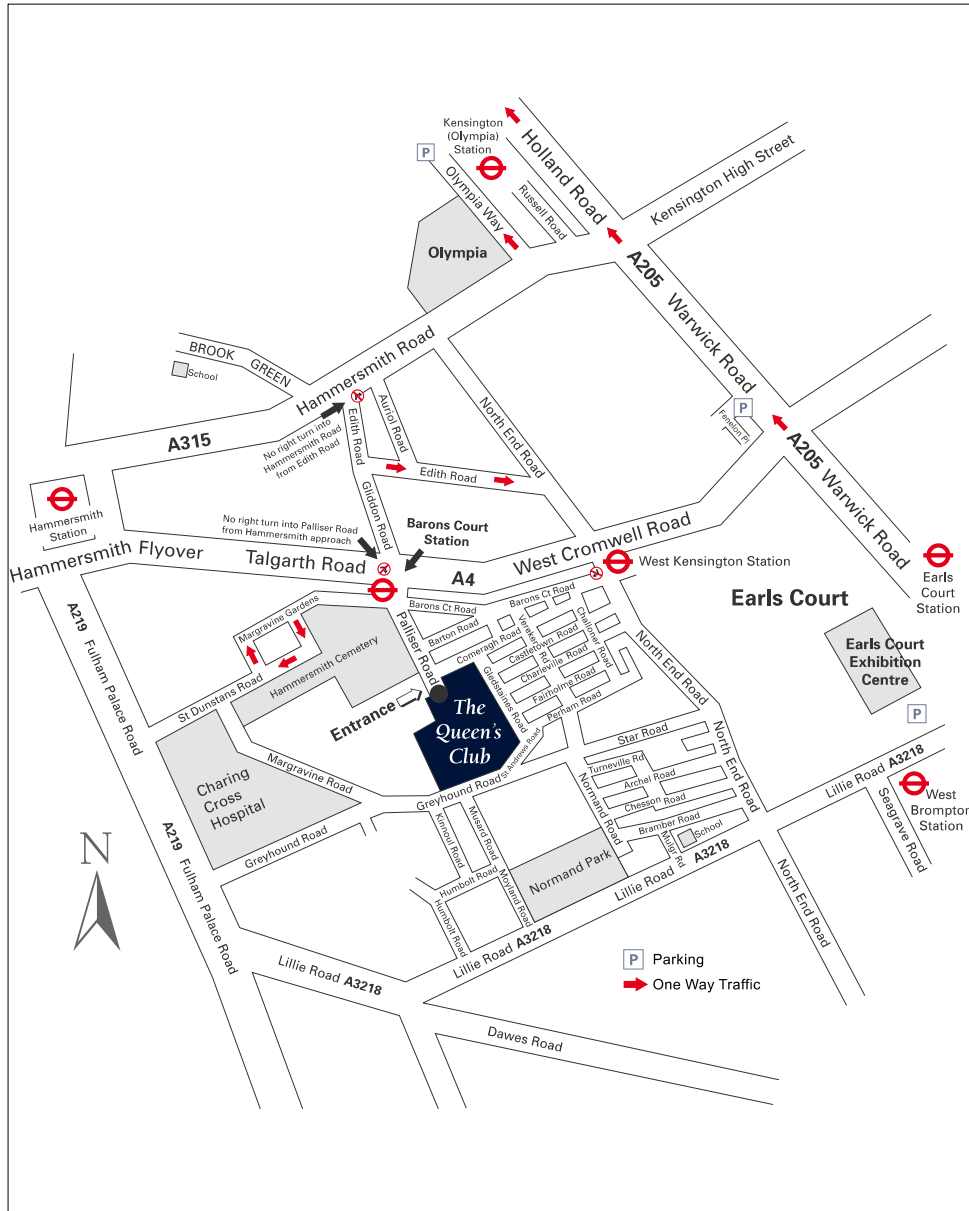

Helen Other, British Olympic Association

“Thank you so much for making our wedding day perfect. Many people remarked on how fabulous the waiting and bar staff were, always there when you needed someone, and good at knowing when guests preferred to be left alone. An even greater number of people remarked on the amazing quality of the food. It is so rare that people are truly impressed by a wedding breakfast but we have had so many letters in praise of your chefs' skills. It has been such a pleasure to deal with all the Queen's staff. No request was treated as a tall order; your kind and responsive attitude to organisation made everything seem easy.”

Davina and Dominic Guinness
